## *Welcome to the new Mazona Stoves range*

The Mazona Stove range is a popular and affordable choice for homes across the country looking for an economical, quality-built product to last.

Each Mazona stove features a stunning view of the fire, whilst the glass is kept clear by being continually swept clear of combustion deposits by a powerful air wash system.

Our entire product range is 'Multi Fuel' allowing you to burn both wood or smokeless solid fuel. Mazona stoves feature 'Smoke Exempt' products which allows you to burn wood in smoke-controlled zones.

With outputs optimised to suit most homes requirements Mazona stoves offers warmth, character and reliability for each home.

### *Warranty Information*

Mazona stoves are an affordable quality product with a 5-year warranty for your peace of mind.

All Mazona Stoves are covered by a 5-year warranty which covers all stove body castings. This does not include consumable items as such as glass, door seals, grates, firebricks, vermiculite panels, baffles and log guards.

# Newport 5 SE

<b>83.9</b> EFFICIENCY (%)	<b>A+</b> EEI CLASS	<b>5.0</b> OUTPUT (KW)
